

Haunted Hike

Skit actors (3) and Costume Makers (3) – On **October 14, 2006 in the late afternoon and early evening** the City of Olympia Water Resources Department is putting on the **Haunted Hike** at Priest Point Park to educate children and adults about the importance of protecting our ground water resource from pollution and wasteful use. The **Volunteer In Parks Program** is presenting a short skit at a station along the hike to tell why English Ivy is becoming a problem for the health of our forests and for our ground water resource. The short skit will be run through many times as successive groups move through the hike.

The script is written. All we need are actors and costume makers. This is guaranteed to be a fun volunteer project. There will be many other skits at stations along the hike.

To volunteer call: Lyle Tribwell
Coordinator of the Volunteers In Parks Program
City of Olympia Arts, Parks and Recreation
ph 753-8365 and leave a message
e-mail ltribwell@ci.olympia.wa.us

or call Patricia Pyle
Public Involvement & Information Coordinator
Water Resources
ph 570-5841

The team will **meet Saturday, September 23rd, 2 -5 PM** to start learning parts and to make the costumes at the Priest Point Park Maintenance Center. We'll need to get together for a **short rehearsal Saturday, October 7th 2-3 PM** again at the Maintenance Center. **Final costume making will be October 14th at noon** at the Maintenance Center. Actors will arrive for putting on their costumes and practicing their parts an hour before the hike starts. Remember, this is low key and fun.

Volunteers should be over 14 years old and those under 18 years old will need an adult to sign them in each time.

Physical requirements – 2 people need to be able to walk a few feet in a squatting position and then do a somersault. All need to be able to memorize their parts and speak them loudly.

The other stations on the hike may need additional volunteers so I will help you get in touch with other staff members if I already have enough help when you call.
